

DAYTRIPPERS

NEWSLETTER

“A parent and carer led group offering days out, activities and support to pre-school and school aged children with disabilities /special needs, their families and carers.”

July-September 2019.

Hello Everyone.

Can you believe we are already in July? We have delayed sending this newsletter out until now so that hopefully you will have had notification of any holiday club/scheme placements you have been allocated and you can now plan what days you are free to have some fun with us.

This year, due to high demand, we are asking that you select upto 6 first choice outings or activities and upto 6 second choice ones. We will then guarantee your first place choice if places permit and place you on the waiting list for your second choice. Once we have all the bookings in if there are any spaces on your second option we will then notify you. Due to limited places swimming sessions are to be booked on a weekly basis.

For further details please have a look at our web site
